To Find the PHPDA

Enter the property from 14th Ave S. Turn into the Patient Parking Garage directly on your left. Park on the 2nd or 3rd floor. Go to the 4th floor of the parking garage and walk through the SW stairs door onto a small pedestrian bridge. The PHPDA is located in the building on the left. Ring the bell, and we will be right down.

To leave the parking garage, go to the 2nd floor and slowly drive straight up to the gate. The “eye” will see you and the gate will open.

Metro bus routes 36 and 60 also stop at Pacific Medical Center on Beacon Hill.
